

Sermon: Trait #2- Arrogance  
Day 1

Read 1 Corinthians 1:18-25

What do you think verse 25 means?

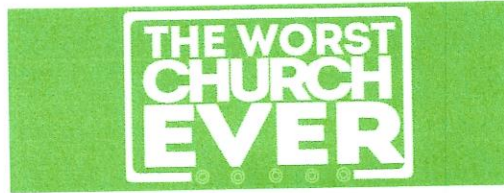

Give some examples from the Bible that Paul is referring to in verses 26-28.

How do you see your life fitting into what these verses are saying?

How do you see this happening in the people at Keystone Church?

How can you use these verses to encourage someone that you know is struggling today?

How can these verses help you today?

Sermon: Trait #2- Arrogance  
Day 2

Read Romans 12

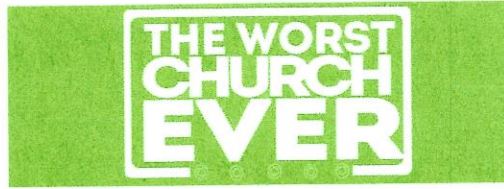

What are the dangers of thinking too highly of ourselves according to these verses?

What is the solution to that as mapped out in verses 1-2?

How does thinking too highly of ourselves disrupt the idea of the church functioning as a body?

How have you seen this tend to happen in your own life?

What in your life is pointing to the fact that you are thinking too highly of yourself?

Sermon: Trait #2- Arrogance  
Day 3

Yesterday we looked at thinking too highly of ourselves. The opposite of that is equally dangerous, thinking too low of ourselves. What are the dangers of thinking too low of oneself?

Read 1 Corinthians 1:18-25

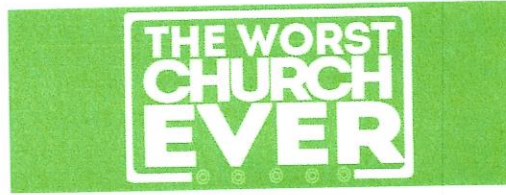

How do these verses help us when we have too low a view of who we are or what we are capable of doing?

Does God tend to call those that are qualified, or qualify those that are called?

Who around you today needs to hear these verses for encouragement?

How can these verses and this idea help you today as you are considering who God wants you to be?

Is God calling you to the next level and you are struggling with thinking you belong there?  
How can you deal with this?

Sermon: Trait #2- Arrogance  
Day 4

Read Luke 18:9-14

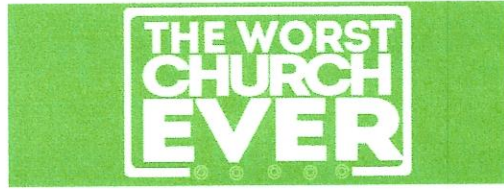

How does this verse show that our pride can affect our personal relationship with God?

How was the Pharisee supposed to be viewed by everyone in this story?

How did the tax collector display the more proper way of acting?

How do we act more like the Pharisee in this story sometimes rather than the tax collector?

What can you change personally today to deal with this issue?

Sermon: Trait #2- Arrogance  
Day 5

Acts 9:1-22

What kind of person was (Paul) Saul before he was confronted on the road to Damascus?

Why would you have not chosen Saul to do all that God called him to do?

What does this teach us about who God calls to do things?

Read 1 Corinthians 1:26-30

How do these verses talk about what happened to Saul?

What is God revealing to you today about who He has called you to be?
